

Red (Invitation Only) (Volume 1)

Red Tacoma, club promoter, is just about ready to blow the Detroit, Michigan, club scene and start over in Austin, Texas, the live music capital of America where his talents can be put to better use. After a nasty break up with a casual boyfriend, he decides the timing is perfect and heads south. Red's not a nice guy, though. In fact, he's a jerk, and he takes pride in getting the job done and letting no one get in his way. Of course, some might call it arrogance, but Red doesn't care what other people think, not even his boss at his new club gig.

Phoenix, a big bad Dom from Los Angeles, has agreed to move out to Westburg, Texas, with his husband Wade Rubashkin, and run Zachary Teaks' new BDSM club, Invitation Only. But getting a new club ready is always a challenge, one that is fraught with interesting problems, and as always with the Doms and subs of the new club, it is one filled with hilarity and smokin' hot, sexy men.
