

Kathleens Enduring Faith (Life of Faith, A: Kathleen McKenzie Series)

Kathleens Blazing Battle continues the story of an enthusiastic and determined twelve-year-old girl growing up at the dawn of the 1930s. Winter has melted into a scorching summer and Kathleen finds herself fighting to help save the family farm from one of the worse dry spells in Ohio's history. But when a masked enemy launches a scare tactic on a neighboring farm, innocent lives are threatened and Kathleen finds herself in the middle of a fiery battle. Will her faith dry up or hold firm?
