

## Loves Great Ransom (The Orphan and the King Book 2)

Unexpected tragedy threatens to destroy young Wesley on his path to the throne to be King Reagales successor. Evil infiltrates his life once again, as his past casts a dark shadow of terror over this wonderful new life he has been given, tearing to shreds any hopes for the future and dashing his dreams of a happily ever after. A dim flicker of light emerges from the ashes that remain of his broken life that, with resolved determination and strength of will, might yet see his dreams fulfilled... Let your imagination soar to a land filled with kings and wizards, dragons and damsels in distress, dungeons, dwarfs and enchanted forests. Fantasy and reality meet in a suspenseful story of love, honor and courage against all odds...of faith and hope...magic and mystery...treachery, treason and terror...compassion and redemption!
