As she draws near the soaring skyscrapers her dreams are dashed when she learns she is to be sent to work for the wealthy de Saulles family. Known as the Box, their home is Gatsby-like in elegance yet rife with malice and madness. Only her friendship with dancer Rodolfo offers Jenny a glimpse of escape until a tragic day when the household is changed forever. August 1926 America booms, prohibition rules and one mans movie is breaking box office records. Rodolfo has taken his place on the silver screen as Rudolph Valentino when a chance arises for he and Jenny to meet again. Will the worlds most desired film star and his lost love have their Hollywood happy ending, or will the tragic echoes of their past thwart them one last time?
