

Sunset Park (El Balanci) (Catalan Edition)

Miles Heller, un jove enigmatic de vint-i-pocs anys, sha enamorat duna jove cubana menor dedat. Enfonstat pel sentiment de culpa a causa de la mort del seu germanastre, fa set anys que en Miles viu com un fugitiu a Florida i no es comunica ni amb el seu pare -un editor independent que tracta desesperadament de salvar el seu negoci i el seu matrimoni i recuperar el seu fill-, ni amb la seva mare, una reconeguda actriu. Despres dhaver viscut sol durant anys a Florida, ara torna a Nova York. Mentre espera que la seva estimada sigui major dedat, conviu amb un grup de joves en una casa abandonada de Sunset Park, al barri de Brooklyn: en Bing toca el tambor i treballa a lhospital de les Coses Trencades, on repara objectes del passat; lEllen es una artista que viu obsedida per visions erotiques, i lAlice, una estudiant que fa una recerca universitaria. Aquests son alguns dels personatges que Paul Auster entrellaca magicament en aquesta emotiva novella en que cada element esta saturat de significacions sobre les marques de la vida. En un temps de crisi i canvis, Auster ens recorda les coses que realment son essencials i lestranyesa i la plenitud daquest miracle que suposa el fet destar, i sentir-se, vius.
