

Les Fleurs Du Mal (French Edition)

Œuvre majeure de Charles Baudelaire, le recueil de poèmes *Les Fleurs du mal*, intégrant la quasi-totalité de la production poétique de l'auteur depuis 1840, est publié le 23 juin 1857. C'est l'une des œuvres les plus importantes de la poésie moderne, empreinte d'une nouvelle esthétique où la beauté et le sublime surgissent, grâce au langage poétique, de la réalité la plus triviale et qui exerça une influence considérable sur Arthur Rimbaud et Stéphane Mallarmé.
