

Letters to the Midwife

When the CALL THE MIDWIFE books became bestsellers, Jennifer Worth was inundated with correspondence. Letters TO THE MIDWIFE is a collection of the correspondence she received, offering a fascinating glimpse into a long-lost world. Along with readers responses and personal histories, it is filled with heartwarming gems such as letters sent by one of the nuns featured in CALL THE MIDWIFE and a curious list of the things Jennifer would need to become a missionary. Containing previously unpublished material describing her time spent in Paris, and some journal entries, this is also a portrait of Jennifer herself, complete with a moving introduction by her family about the Jennifer Worth they knew and loved.
