

## Morning Glory (Moments In Paradise Book 5)

Morning Glory: Moments in Paradise Series; Book Five Mary is embarking on a new adventure. After eighteen years of raising her daughter, she is sending her off into the great unknown of college life. Its a journey she encouraged her daughter to pursue, and she is happy to know Tawnya is going to a good school with her best friend. But she knows having her away isnt going to be easy. She is hopeful for good things for her daughter, and for herself as she faces life without her and waits to see all that Jesus may have in store. Tawnya is having an equally difficult time with saying good-bye, but she is trusting God to be faithful to both of them, and especially to her mother, whom she feels deserves the best of everything. Neither of them expect the events that unfold within a few short weeks, and although tragedy is a part of the paths both of their lives take, the glory of morning is on the horizon, promising a more glorious future than they ever imagined. \*Morning Glory is the fifth book in the Moments in Paradise series and is recommended for women and teens.
