

The Little Penguin Handbook continues to revolutionize the way pocket handbooks present information. With more visuals and sample documents than other pocket handbooks, this handy full-color reference gives students just what they need to know about the writing and research processes, while providing extensive coverage of documentation and grammar. With a reorganized and expanded plagiarism chapter, new visual “maps” of the writing and research processes, an updated section on writing in the disciplines, and a new chapter on composing in online genres, The Little Penguin Handbook continues to be an invaluable resource for students in composition courses and in courses across the curriculum.

United States Congressional Serial Set, Issue 343, King Lear (Manga Shakespeare), The Next Next Level: A Story of Rap, Friendship, and Almost Giving Up, Business Statistics: A Decision-Making Approach, In the Name of Love (Nancy Drew on Campus #11), Samlaren: Tidskrift Utgifven Af Svenska Litteratursallskapetets Arbetsutskott, Volume 4, issue 2 (Swedish Edition), Svenska Mosskulturforeningens Tidskrift, Volume 17...
