

## 2 Corinthians MacArthur New Testament Commentary (MacArthur New Testament Commentary Series)

The Corinthian church required Paul's repeated care. In 2 Corinthians, he continues his attempt to correct errors of unchristian practice, worship, and doctrine. Concerned with false apostles who were leading the church astray, Paul defended his own authority as God's apostle and sought reconciliation within the church. Respected preacher and Bible teacher John MacArthur presents yet another comprehensive and compelling commentary in his New Testament series.
