

Mahu Men

Mixing mystery and erotica, the stories in Mahu Men take readers into the world of openly gay Honolulu homicide detective Kimo Kanapaaka. Moving from pickups to murders, Kimo surfs the waves of his professional and personal lives in a sexy, sensual tropical paradise, where danger and desire lurk behind every palm tree. The stories fill the gaps between Neil Plakcy's Mahu novels, showing Kimo dating as well as solving cases and establishing a relationship with his new detective partner. Mixing the sensuality of Plakcy's erotica with the sharp-edged attitude of his mysteries, Mahu Men is a chance for new readers to meet Kimo, and for fans to delve more deeply into his world.
