Still new and fragile in her faith, Maggie finds herself in an ultimate battle between the fears of her flesh and the power of her faith. Then the revelation of one of Maggie's darkest secrets threatens to destroy her relationship with her fiancé, Peter, and Maggie fears her world is crumbling all over again. After discovering the existence of an incriminating video and a dead District Attorney, Maggie once again becomes a serious liability for some dangerous people. As a hurricane approaches off the coast, Maggie winds up battling for her life as she fights to evade the storm...as well as the assassin pursuing her. Joining forces with Tai, her new computer hacker friend, she will risk everything to break into The Inner Society's server and expose their criminal acts to the world.
