

## The Middle Eastern Kitchen

The Middle East is steeped in rich culinary traditions and this new collection, featuring recipes from food writer and UK MasterChef contestant Rukmini Iyer, showcases regional cooking at its very best. Deceptively simple yet full of flavor, these recipes are easy to follow and accessible for cooks new to Middle Eastern cooking. The Middle Eastern Kitchen offers simple, modern, and authentic dishes, including cinnamon-spiced kofte and tangines, pomegranate-strewn salads, jeweled rice dishes, and pastries and desserts infused with cardamom and honey. The depth, complexity, and variety of the food and cooking styles are truly extraordinary and will inspire all your senses.
