

Against The Law (Mills & Boon M&B) (The Raines of Wind Canyon, Book 3)

At thirty-two Dev is mostly retired from Raines Investigations, content to run operations from his sprawling Arizona home. But Dev has never been able to say no to a beautiful woman, so when Lark Delaney comes to him for help, the former U.S. Army Ranger from Wind Canyon gets back in the game. Lark is sexy, successful and dedicated to tracking down the baby girl her sister gave up for adoption. It should be a straightforward case, but its not long before Dev uncovers a shady adoption ring and worse - the childs parents have been murdered and the little girl has been taken. As the case grows dangerous and Lark needs him more than ever, Dev cant ignore his growing attraction for her. He also cant trust his judgment with women or the emotions hes long-since buried. But theres a chance, if he gets this right and saves Larks niece, that hell end up saving himself, too.
