

The Dimension Thieves 10-12: Episodes 10-12 (The Dimension Series) (Volume 4)

In these final three gripping episodes of the acclaimed Dimension Thieves series, the crew of the Karolina Nine faces their most perilous challenges yet. The gypsies have made demands that cannot be denied and the dimensions are rife with adversaries. The crews strength, resolve, and humanity will be tested like never before, and when the tests are over, the failures, mistakes, and unexpected players will decide the fate of Force Steeles original mission as much as the hope, faith, and loyalty of true love.
