

Gundam: The Origin, Volume 10

While enroute to Jaburo, the White Base faces Ranba Ral and his deadly forces. Ranba Ral himself sets out in his Mobile Suit, the Gouf, to battle the White Base and the Gundam. Have Amuro and the Gundam finally met their match? One of the Gundams legs is blown off at the knee joint. Disturbed by all that he is forced to go through, Amuro leaves the White Base with the Gundam.
