

Music Reading Skills for Guitar Level 1: A Transition Out of Method Books into Real Music (Volume 1)

This book, along with others in its series, is designed to develop overall music reading skills. It can be used in different ways by different people. For the beginner, it offers a way out of method book systems and into real music. For intermediate to advanced players that do not yet read music, it offers a progressive set of reading exercises that train the guitar player to be able to read music proficiently without having to resort to method books.
