

Consort (Beyond Ontariese Book 6)

Beyond Ontariese, Book Six (Series Finale): With one consuming kiss, King Indric of San Adrin convinces Cinarra that he will no longer tolerate being only her protector and trusted friend. Cinarra has longed for the day when the handsome Bilarrian will see her as more than an obligation, but she harbors secrets that could destroy their love before it even has a chance to exist. Indric has always put the needs of his people before his own happiness. Duty and honor have kept him from claiming Cinarra, then an assassination attempt brings everything into sharper focus. Cinarra is his one true mate and he will not rest until she surrenders to their mutual desire and agrees to be his beloved consort. Two powerful enemies have joined forces; their common goal to destroy Indric. No risk is too great and no sacrifice too dear. And anyone Indric loves is a potential target for their treachery. Note to Readers: This book contains detailed descriptions of sizzling passion only suitable for mature readers. From Cyndi: Even good things must come to an end, but it was still bittersweet to write this story. Krystabel, the other royal twin from Taken by Storm, has patiently waited for her turn in the spotlight. She has spent the past nine years in hiding on Bilarri, using the name Cinarra. She is a loving mother and loyal friend, but she longs for romance and adventure. I introduced Indric in Fire Pearl and he refused to be content as a minor character. Consort is primarily a paranormal romance, but it also features scifi and mystery elements. I hope you enjoy the series finale of Beyond Ontariese!
