

Nancys mother has to drag her to school, but once there, Nancy -- who is full of high spirits -- finds ways to amuse herself and the other students. In the classroom, she imitates the teacher behind her back. In the schoolyard, she climbs up onto the roof to retrieve a ball -- only to have the ball roll off the roof and hit the teacher! On a class trip to the beach, Nancy buries the napping teacher in sand up to her neck. But in the end, Nancy wins even the teachers favor when she performs a brave and unselfish act. In this companion to Naughty Nancy, John Goodalls beautiful watercolor paintings capture the spirit of classroom lessons, field trips, and schoolyard fun. Children will delight in turning the pages of this wordless book -- and the half-pages that forward the action -- to follow Nancy, as she sometimes accidentally, sometimes deliberately, gets herself into trouble.
