

## Friendship 911 Collection My Friend Is Struggling With.. Knowing Gods Will

A star athlete at his high school, Bobby Franklin faces graduation with anything but certainty. Should he choose ministry over his beloved baseball? Should he earn a college degree-or skip school and try to make it in baseball-or marry his girlfriend, Ashley? As a Christian, he wonders how he can know specifically what God wants him to do. Do you know any students like Bobby who have major decisions to make and would like to know Gods will? Do you know what to tell them? Do you know how to help? During their search for Gods will in their life, there is one thing for sure they could use, a 911 friend-a friend who is always loyal and a brother [and sister who] is born to help in time of need (Prov. 17:17). Through the aid of a gripping true-to-life story, Josh McDowell along with Ed Stewart offers biblical insights and practical instruction on how to find Gods specific will in ones life. But more importantly, you will learn how to become a true source of encouragement and guidance to someone wanting to know Gods will. This book is designed for you to read first and then give to your friend. And if you are that person facing some major issues in life, you will discover key scriptural principles to making tough personal decisions. But more than that, you will find that God really does care about the details of your life and wants whats best for you and so does your friend-most likely the person who gave you this book.
