

## A Night Without End

When Carlie Myers woke up from a blow to the head, two years were erased from her memory. She couldn't recall how she'd gotten to Alaska, or why she was being blamed for murder. And she didn't know if the sexy stranger who claimed to be her husband was telling the truth. Rugged Sean McCabe wanted justice for his partner's murder. Yet one look in the deep green of Carlie's eyes and he knew she was innocent. Which meant she needed protection. He'd told her a white lie to keep her close yet how would Sean keep his wife safe and satisfied without putting his heart in jeopardy?
