

## Vegas Vendetta (The Executioner Book 9)

In Vegas, the Executioner hits the mob where it hurts most: the wallet Mack Bolan has fifty seconds to cripple the Mafias operations in Las Vegas. Fifty seconds to take out ten gunmen, destroy a jeep, and down a helicopter. Fifty seconds to snatch millions of dollars away from the international crime syndicate that he declared war on so long ago. For forty-nine seconds, everything goes fine... The Executioner takes aim at the mobs biggest casino as he awaits a duel with two of the deadliest hit men the Mafia has to offer.
