

The Good Father (Dave Harris Detective Series Book 5)

The Good Father is the fifth and latest in the Dave Harris Murder Mystery Series. A young girl is brutally murdered and her body mutilated; and a fifteen year old boy is arrested and charged with the murder. His old friend, Father Alfonso becomes involved in the case and is soon convinced of the boys innocence. Chief of Detectives, Dave Harris discovers that important documents are missing that could compromise the case. Forced to reopen the case, he soon becomes involved in more than the murder. Trafficking in human body parts, strange religious practices and a Witchdoctor become factors in the investigation. What is it in Father Alfonso's past that could have a bearing on the outcome?
