

Friends with Boys

A coming-of-age tale with a spooky twist! Maggie McKay hardly knows what to do with herself. After an idyllic childhood of homeschooling with her mother and rough-housing with her older brothers, its time for Maggie to face the outside world, all on her own. But that means facing high school first. And it also means solving the mystery of the melancholy ghost who has silently followed Maggie throughout her entire life. Maybe it even means making a new friendone who isnt one of her brothers. Funny, surprising, and tender, Friends with Boys is a pitch perfect YA graphic novel full of spooky supernatural fun.
