

Out of the Wild

Beware the Wild?it bites. Ever since Julie Marchen helped defeat the fairytale world of the Wild, life?s been pretty much back to normal. That is, as normal as life can be for a girl whose mom is Rapunzel. Yes, that Rapunzel. Then the Wild mysteriously releases Zel?s prince (Julie?s dad!)?a rescue-minded hero who crashes full-speed ahead into the 21st century! (YOU try teaching a 500-year-old prince to use a seatbelt.) Julie?s over the moon, but when a wicked Fairy Godmother kidnaps Sleeping Beauty and reawakens the Wild, Julie and her dad set off on an action-packed adventure to save the distressed damsel? and the world. If they can?t, they?ll spend eternity in a fairytale.
