

Pacific Creed (Executioner)

SAMOAN THUNDER Hawaiian Nativists launch a campaign of terror throughout the islands in what appears to be a white slavery ring. With female tourists disappearing and the bodies of U.S. servicemen lining up, Mack Bolan goes in to stop the violence. But Bolan soon learns the attacks are only part of a bigger threat and a countdown to the final strike has already begun. Handicapped by witnesses too afraid to talk, Bolan teams up with a Hawaiian to infiltrate the splinter group or be killed in the attempt. To win their trust, Bolan will need every tactic in his arsenal. But surviving their trial by fire won't be easy. The terrorists are trained warriors and they've already marked Bolan for death. Judgment day is coming and the Executioner is prepared to fight until the bitter end.
