

Grace Unmasked (The Mannequin Book 2)

On the heels of an unjust accusation, Grace flees from her country village to the anonymity of London. Although she intends to seek sanctuary with her cousin Joe Fiddick, she discovers he also suffered a setback and needs more help than she can offer. Desperate, she solicits assistance from Joe's friend--the notorious rake, Lord Henley. Will the price of the handsome barons help be more than she's willing to pay? Book Two of the Mannequin Series
