

## Perfect Your Tackle

In recent years, many new designs of tackle have appeared on the market, and there is now a bewildering selection available. In this book, John Bailey guides you through the maze, studying every aspect of coarse fishing tackle, and encouraging the thinking angler to pay special attention to using the right equipment in the right situation. Full of tips, advice and expert opinion, this is a book to inform, educate and entertain any angler who wants to know more about this vital aspect of coarse fishing.
