

## Sudden Independents (Volume 1)

After the adults die, children hope to survive the plague. Jimmy never thought of bespensing the apocalypse farming in Nebraska and worrying about Hunter. But when the plague killed their parents, along with everyone over the age of seventeen, Jimmy suddenly became head of the household. Then the oldest kid in town turned eighteen and the plague chased him down. Now Jimmy has one more thing to worry about--and he's running out of time.
