

## Pratt Of The Argus: (Henry Pratt)

Henry Pratt, back home from National Service, is a man at last. As eager to prove it as he is to please, he is in at the deep end in his chosen profession - cub reporter on the Thurmarsh Evening Argus. As trams and typewriters chatter to the echoes of Suez and Hungary, Henry finds himself in an exciting if bewildering world. His first scoop about a stolen colander is not quite as straightforward as he hopes. Misprints and chuckles abound as ever-hopeful Henry manages to fall foul both of typesetters and attractive women. And, in a profession not noted for kindness to the diffident, he is as prone to accident as practical jokes. Nothing ever goes quite right for Henry. So when the scoop of a lifetime finally comes his way it threatens to upset the family and complicate further his ever-hopeful love life.
