

Fat Hoochie Prom Queen

What does it take to be the queen? Margarita Madge Diaz is fat, foxy, and fabulous. She loves herself, and is adored by almost everyone else...except queen bee/student-body president Bridget Benson. These two girls have a history that's uglier than a drag queen after last call. During a heated argument, they decide there's only one way to end their rivalry: be named prom queen and the other backs off -- for good. Of course, everything looks different in the sober light of morning, but pride is at stake and the race is on. Madge is committed to doing whatever it takes to secure the title, but so is Bridget. And everyone's got something to hide. Welcome to Winter Park High School, where the dirt's not just gonna fly...it's gonna go into freakin' orbit.
