

Diary, Jan 1659-60 - Websters Urdu Thesaurus Edition

Samuel Pepys Diary, Jan 1659-60 is a classic work read by book lovers, students and scholars. This is a special edition which exposes readers to a variety of English phrases and terminology from this genre. While the text is in English, the click and translate thesaurus, in Urdu, is a perfect tool for Urdu speakers who need to enjoy this English-language classic, and also learn English words. If you are a non-English speaker, you can use this version to help you improve your vocabulary in preparation of English-language tests. While designed for Urdu speakers wishing to learn English, English-speakers wanting to pick up Urdu vocabulary may also find the Urdu thesaurus feature of interest (the text is entirely in English, only the pop-up thesaurus is in Urdu).
