

Remember Me Like This: A Novel

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review Esquire BookPageA gripping novel with the pace of a thriller but the nuanced characterization and deep empathy of some of the literary canons most beloved novels, Remember Me Like This introduces Bret Anthony Johnston as one of the most gifted storytellers writing today. With his sophisticated and emotionally taut plot and his shimmering prose, Johnston reveals that only in caring for one another can we save ourselves. Look for special features inside. Join the Random House Readers Circle for author chats and more. Four years have passed since Justin Campbells disappearance, a tragedy that rocked the small town of Southport, Texas. Did he run away? Was he kidnapped? Did he drown in the bay? As the Campbells search for answers, they struggle to hold whats left of their family together. Then, one afternoon, the impossible happens. The police call to report that Justin has been found only miles away, in the neighboring town, and, most important, he appears to be fine. Though the reunion is a miracle, Justins homecoming exposes the deep rifts that have diminished his family, the wounds they all carry that may never fully heal. Trying to return to normal, his parents do their best to ease Justin back into his old life. But as thick summer heat takes hold, violent storms churn in the Gulf and in the Campbells hearts. When a reversal of fortune lays bare the familys greatest fearsand offers perhaps the only hope for recoveryeach of them must fight to keep the ties that bind them from permanently tearing apart. Praise for Remember Me Like This Enthralling . . . [an] exquisitely moral mystery of how we struggle to accept and love the people we call family. The New York Times Book Review (Editors Choice) I love this novel. John Irving An aching beautiful and

psychologically insightful portrait of a family . . . [a] fully immersive novel in which the language is luminous and the delivery almost flawless. The Boston Globe Riveting . . . [The novel] flows like it was plotted by Dennis Lehane but feels like it was written by Jonathan Franzen. Esquire Tremendously moving . . . There's real humanity in Johnstons writing, and its heartening to spend time with these folks as they relearn how to be a family. Ron Charles, The Washington Post Deeply empathetic and masterfully constructed . . . a novel that has both the feel of a great epic and the focused intensity of standing on a highwire. Salon From the Trade Paperback edition.
