

Riders of the Silences

He swept down from the north like a cold blast from hell. His name was Red Pierre and he was riding a vengeance trail. They said the man he hunted couldn't be beat. But six years of riding outlaw with a wolf-pack left him with a burning hate and a taste for blood. Now he was going to get the man who shot his father. But he'd need more than hate and a gun. What he really needed was the help of a good woman.
