

## Rilke on Black (A Mask Noir Title)

In South London, an unlikely gang of kidnappers hatch a plot. Nick, an ex-bouncer; Dex, a charismatic sociopath; and Lisa, a motor-mouth junkie femme fatale. Their prey is a powerful, local businessman with an obsession for the poet Rilke. Thing is, each kidnapper has a very different agenda. Which means its only a matter of time before the joking stops, and the ever threatening violence begins. Rilke on Black is an eerie, crooked tale of sex, obsession and betrayal. Ken Bruens dark contemporary thriller matches a razor sharp vernacular with a country music soundtrack to create a truly intoxicating and original mix.
