SECOND SHOT is the sixth in Zoe Sharps highly acclaimed Charlotte Charlie Fox crime thriller series, now available with authors notes and excerpts from the next Charlie Fox?THIRD STRIKE?and from LOST RIVER, another instalment in best-selling author Stephen Booths Ben Cooper and Diane Fry police procedural series. Take it from me, getting yourself shot hurts like hell. When the latest assignment of ex-Special Forces soldier turned bodyguard, Charlie Fox, ends in a bloody shoot-out in a frozen New England forest shes left fighting for her life, with her client dead. Simone had just become a lottery millionairess but she never lived long enough to enjoy her new-found riches. Charlie was just supposed to be keeping Simones troublesome ex-boyfriend at bay and helping track down the father Simone had never really known. But Simones former SAS father has secrets in his past that are coming back and haunt him. Did Simones money tempt him into engineering her death? And what happens now to Simones baby daughter, Ella? With Simone gone, Ellas safety is Charlies main concern. Shes determined, despite her injuries, not to let anything happen to the child. Even if this time Charlies in no state to protect anyone?least of all herself. Praise for Zoe Sharp: Todays best action heroine is back with a bang . . . Scarily good. Lee Child Thrills and twists aplenty. Sunday Telegraph With Second Shot, Zoe Sharp has become the UK answer to Laura Lippman. In a world where the Cornwells, Reichs etc seem to dominate with their forensic precision, here is a novel that has a superbly paced plot and wondrous characterisation . . . Charlie Fox is fast becoming the must-read heroine of mystery. Shes flawed, confused and makes mistakes and has you rooting for her all the way. The writing is a joy, immediate, sassy and very moving . . . Superb. Ken Bruen, bestselling author of Blitz and London

Boulevard Crackles with suspense. Booklist starred review Yet another sleek, sharp thriller. David Morrell, bestselling author of First Blood Zoe Sharp is one of the brightest of the new generation of British crime writers, and Charlie Fox is a memorable creation a welcome addition to the ranks of strong female characters who have turned crime fiction on its head. Stephen Booth Ill-tempered, aggressive and borderline psychotic, Fox is also compassionate, introspective and highly principled: arguably one of the most enigmatic ? and coolest ? heroines in contemporary genre fiction . . . One of the very best crime fiction sagas out there. Paul Goat Allen, Chicago Tribune
