

Intended for ages 4-5, this book answers such questions as what do dolphins do all day and night? How do dolphins learn to hunt and co-operate in catching prey? When do they rest and how do they decide with which group they will spend their time? Why do Hawaiian spinners travel in groups of hundreds?

Collected Poems of Ted Hughes, Stabilization of Subgrade Soils (Engineering SoundBites), Collected Poems, 1920-1954: Revised Bilingual Edition (Italian Edition), Immortal Darkness (Phantom Diaries #3), Decameron (Radici BUR) (Italian Edition),
