

Colomba (Italian Edition)

Dove finita Colomba? Perché la sua bicicletta giace abbandonata ai margini della foresta? Tante ipotesi si affollano nella mente di sua nonna Zaira, dalla fuga al rapimento, alla morte. L'unico indizio è la bicicletta abbandonata dalla ragazza, un anno prima, ai margini della foresta. Ogni mattina Zaira passa al setaccio i boschi delle montagne abruzzesi e intanto cerca una soluzione nell'ordito dei ricordi. Così, in quella nipote persa finisce per cercare tutte le persone scomparse nel passato, in un percorso a ostacoli che diviene la storia della sua famiglia. Con l'aiuto della donna dai capelli corti, una scrittrice che vive tra le montagne d'Abruzzo, Zaira riannoda i tanti fili della memoria. Le voci delle due donne si alternano, si sovrappongono, narrano una fiaba che intreccia storie personali e storia italiana. Un romanzo epico e corale, che segna il grande ritorno di Dacia Maraini ai suoi temi prediletti: la trama sottile dei sentimenti, l'attenzione per il mondo femminile e i suoi conflitti, il dolore causato dalla storia, l'amore per la natura.
