Not illustrated. 1919 Excerpt: ...the old three-decker at the Islands of the Blest!.. That route is barred to steamers: youll never lift again Our purple-painted headlands or the lordly keeps of Spain. Theyre just beyond your skyline, howeer so far you cruise In a ram-you-damn-you liner with a brace of bucking screws. Swing round your aching search-light--twill show no havens peace. Ay, blow your shrieking sirens at the deaf, grey-bearded seas. Boom out the dripping oil-bags to skin the deeps unrest--And you arent one knot the nearer to the Islands of the Blest! But when youre threshing, crippled, with broken bridge and rail, At a drogue of dead convictions to hold you head to gale, Calm as the Flying Dutchman, from truck to taffrail dressed, Youll see the old three-decker for the Islands of the Blest. Youll see her tiering canvas in sheeted silver spread; Youll hear the long-drawn thunder neath her leaping figure-head; While far, so far above you, her tall poop-lanterns shine Unvexed by wind or weather like the candles round a shrine! Hull down--hull down and under--she dwindles to a speck, With noise of pleasant music and dancing on her deck. Alls well--alls well aboard her--shes left you far behind, With a scent of old-world roses through the foe that ties you blind. Her crews are babes or madmen? Her port is all to make? Youre manned by Truth and Science, and you steam for oteamings sake? Well, tinker up your engines--you know your business best--Shes taking tired people to the Islands of the Blest! THE RHYME OF THE THREE CAPTAINS 1890 This ballad appears So refer to one of the exploits of the notorious Paut Jones, an American pirate. It is founded on fact.. AT THE close of a winter day, Their anchors

down, by London town, the Three Great
Captains lay; And one w...
