

## The Only Easy Day (Sanctuary) (Volume 2)

One dead girl, one scared witness, and two men trained as Navy SEALs. Whether searching for justice or revenge, the final showdown between them is the same.... explosive! Dale MacIntyre, former Navy SEAL, works for Sanctuary. Hes the acting handler for a member of the Bullen familys inner circle. He is close to obtaining the evidence he needs to prove Elisabeth Costains death was ordered by them... until someone gets in his way. Joseph Kinnon, active Navy SEAL, is back on US soil for the first time in months, and he is told the tragic news that his stepsister is dead, gunned down in an alley by an unknown assailant. He is determined to find out who murdered her... until someone gets in his way. They both want the same thing but have different methods of accomplishing their goals. They both want the Bullen family brought to account, but one wants justice and the other wants revenge. What happens between them, however, has nothing to do with either.
