

ALIEN ROMANCE: Paradiso (Paranormal BBW Scifi Alien Mail Order Bride Romance) (BWWM Alpha Male Pregnancy Short Stories)

Will Shayla find her happily ever after on planet Paradiso? Shayla was an average woman with a not-so-average body living on a war-torn Earth. Like many others, she dreamed of something better. There's just one problem: the only way off of Earth is to be a bride... to a man from another race. Shayla's dreams are granted when she finds not only has her application for Bridalship been accepted, she is about to be the wife of a man who owns a moon that's larger than Earth. But will this be the man of her dreams or will she become what she's always felt she was: invisible? **KINDLE UNLIMITED MEMBERS READ FOR FREE!
