

Sex, Lies and Valentines (Undercover Operatives)

Con artist Gabriel Black just got busted. By a babe. Drool-worthy (and clearly sneaky) FBI agent Danita Cruz is forcing Gabriel to choose between hard time and scamming his own family for an undercover sting. Now he has to present Danita to his family as his girlfriend. And its the perfect opportunity to get wickedly even with her. But Danita has some tricks of her own, and Gabriels control begins slipping away as raw sexual energy takes over. Their sham relationship starts feeling a lot likewell, the real deal. The Big Question is, will overwhelming desire be enough to make a liar go legit?
