Available in the traditional print text format and now available as an eText within MyLiteratureLab, Pearson's online resource for literature. The eText increases flexibility for students who prefer the convenience of studying online. The eText offers complete note-taking capabilities so students can mark the text as they would the printed page. The fourth edition continues to address the two key issues confronted by students approaching Shakespeare today: a lack of knowledge about the historical period and difficulty with the language of Shakespeare's plays. A richly illustrated general introduction offers insight into

Shakespeare's England and background on the literary, social, and cultural contexts in which Shakespeare wrote and produced plays. Each play is introduced by a descriptive essay designed to help students appreciate the historical contexts and interpretive issues raised by the play, without dictating students' interpretations. Thoroughly revised and updated notes and glosses provide contemporary readers the support they need to understand Elizabethan language and idioms in accessible and clear modern language, line by line. 0321869044 / 9780321869043 The Necessary Shakespeare with NEW MyLiteratureLab -- Access Card Package Package consists of 0205883583 / 9780205883585 NEW MyLiteratureLab -- Valuepack Access Card 0321880943 / 9780321880949 Necessary Shakespeare, The 4/e
