

Say You Want Me: Cesar Cruz: Book One (Something More 5)

I want Cesar Cruz. God, how I want him. And hes made it no secret he desires me. I cant handle another heartbreak, one more haunting memory that threatens my sanity. What I need is to feel wanted by a man who will love me unconditionally and forever, a man who will be patient and loving, not apathetic and abusive. What will happen if I give in to temptation and spend one night in his arms? Will he want more? Will I? Whether I say yes or no, I fear Ill suffer regret, but as my need for him grows stronger, I may not have a choice. I only pray he will be gentle with me and my heart.
