

Infinites: The Empire Strikes Back: Vol. 3 (Star Wars: Infinites)

Han Solo is as skilled, clever, and resourceful as they come, but this time even HE may have bitten off more than he can chew. With Jabba the Hutts bounty on his head, there doesnt seem to be a place in the known galaxies where he can hide for long. But, Han Solo is smart. Thats why he comes clean and plans to pay Jabba back whats owed from a botched smugglers run. Enter a shrewd Devronian with a taste for money that decides Solos a prize thats too good to pass up. And since this mercenary is working for Jabba directly, it doesnt bode well for Solo and Chewie. What fate will await them in the dark, odorous prison-depths of Jabbas palace? And what infamous, uninvited guest will drop by and completely alter the chase for the last living Skywalker? Spotlight editions are printed on high-quality paper and with reinforced library bindings specifically printed for the library market. Grades 6-12.
