

## Defiance: Strange Angels, Book 4

New York Times best-selling author Lili St. Crow has won a steadfast following for her Strange Angels series of darkly compelling-and undeniably sensual-tales. At 16, Dru has seen more supernatural phenomena than almost anyone on the planet. So her teen years are far from a walk in the park, especially after Sergej kidnaps her best friend Graves. Willing to do anything to save him, Dru embarks on a desperate quest that might just be her last.
