

## Positive Resistance (Work Out Book 5)

Bobby Bobby and Lane the Pain. A thousand years ago, Lane spent his time in high school tormenting Robert Stephen Phillips to the point of tears. Stephen thought hed left all of that behind, including his extra weight and his horrid nickname, when he came out to his parents. But now Stephens been transferred back to his hometown and will once again have to face his disapproving parents and childhood nemesis. Imagine Stephens surprise when Lane turns out to have changed from school bully to persistent, attentive suitor. If Lane the Pain can hear Stephens most painful of intimate details and still want to pursue a relationship, is it possible that Stephen can reconnect with the family that turned on him years ago?
