

Tax Saving Tactics for Non-Doms: The New Rules for Non-Domiciled Taxpayers

This brand new tax saving guide explains the tax rules for non-doms in plain English. It also reveals how you can use your non-domiciled status to save tax. Subjects covered include all tax changes from the most recent Budget, how to structure a tax-free overseas investment portfolio, how to enjoy a tax-free holiday home in the sun, how to escape the new rules by gifting assets to family members, new exemptions that allow you to save thousands in tax and how every non-dom can save an extra ?799.60 tax every year. You will also discover how to escape the ?30,000 tax charge (and the proposed ?50,000 charge) and how using offshore trusts and companies can save you literally thousands in tax. This is the only tax saving guide for non-domiciled individuals and answers all the key questions.
