

## The A-Word: A Sweet Dead Life Novel

Jenna Samuels and her guardian angel brother battle heavenly head-honchos and earthbound bullies in this hilarious, Texas-set follow up to *The Sweet Dead Life*. It's been almost a year since Jenna Samuels' stoner brother, Casey, bit the dust and returned as her guardian angel. A year since Casey and his angel boss, Amber Velasco, saved Jenna's life and helped her foil the bad guys more or less. A year in which Jenna has solved the true mystery of the universe: how to get one Ryan Sloboda to ask her out. Jenna's feeling mighty cheery about life and love. But Casey, whose doomed relationship with Lanie Phelps (who has no idea her boyfriend is, well, dead) isn't doing much to distract him, has his own big question: Why is he still hanging around? Bo Shivers, a heavenly head honcho Jenna and Casey didn't even know existed, might have the answer. Bo knows something big is coming. Something that might just change everything for Jenna Samuels, who once again finds herself up to her non-winged shoulders in heavenly secrets of global proportions just as she's finally found the perfect Homecoming Dance dress.
