

## Everafter (The Immortals of Westchester Prep Book 1)

Seventeen-year-old Sydney Long is a fighter. Even on her deathbed at the end of her battle with cancer, she refuses to break. As her heart monitor delivers its final screech, a witch saves her life by making her immortal, sending her family spiraling into a dark magical world. As she attempts to follow the rules by hiding her ability to heal and kill with a touch, Sydney falls for a boy who is as dangerous and enticing as the lethal magic in her hands. When Sydney attracts the attention of a ruthless hunter, her chance at a second life unravels before her eyes. Death slithers into her life again, and this time it's waiting to take her parents and everyone she loves if she doesn't stop it. Fate, magic, and immortality collide in this new YA paranormal romance. Start a new trilogy today!
